Perhaps you have already had experience with some of R2LP's work this past year at a Heads Up! Reading training, Cradle to Crayons program or a focus group at a branch of the Providence Public Library. Maybe you've gotten to know us through, the Books and Babies seminar, an Early Learning Grant, or the Transition to Kindergarten programs at the Providence Public Schools.

There will continue to be many opportunities for you to join in our activities. One way you can join us now is to help the Professional Development Committee by filling out the attached Survey Sheet and faxing it back to our office. We also invite you to become further invested in the work of this committee by signing up to help develop a common curriculum for the early learning community in Providence

Please join us. We look forward to working with you.

Thank you for your attention.
